Detailed Report

TechnoServe, through the Campus to Corporate Careers (C2C) Program, provides a transformative workforce readiness skills training for youth to make better career choices and build a strong career path. The program also provides placement support through corporate linkages with large and small firms. Our goal is to tackle the increasing need felt by fresh graduates - to sharpen and improve interview preparedness and make informed career choices after their graduation.

To empower fresh college graduates with the skills and attitude to enter competitive workforce, TechnoServe C2C program offers the following-

Employability Training and Youth Empowerment

● Personal and Professional Effectiveness - bringing out the inner confidence, goals and passions of student participants, while introducing them to key concepts in goal setting, financial planning and interpersonal skill development.

● Communication Readiness - introducing students to the basics in professional communication, communication dos' and don'ts' as well as a comprehensive guide to giving interviews and group discussion.

● Career Readiness - explores career opportunities relevant to students from commerce background and gives them the realities of the job markets. It provides students with an in depth knowledge about different job domains as well as skill sets required to get the job, showcasing the career growth path for each role and domain.

● Work Readiness - focused on addressing the gap students' face while transitioning from campus to corporate as well as inculcating a sense of professionalism in them.

● Career Counseling - focused on guiding students both individually and in group settings towards career choices that will intersect between their aptitude, interest and the market reality.

● Online Learning Platform (OLP) – focused on guiding students, reviewing the concepts they have learnt in training.

● Employment Linkages - we will work with your students to provide direct support for placement

opportunities during and after the training program.

● Helpline for Placed Students (1 year) - telephonic counselling services and handling queries on

placements and other concern areas for trained students of the program.

● Alumni Engagement - engagement via social media and college meet ups for students trained by theprogram to share learnings with peers.
