Sub: Appreciation for participation of students from Rizvi College in Akshara's Gender Rewrite Competition

Greetings from Akshara Centre, a not-for-profit women's organization working for the empowerment of women and girls. At Akshara, all of us want to create – and participate in – a society where all women can live a violent-free, dignified life with no discrimination. We dream of a society in which we can all be creative and productive members. One of our projects is Youth for Change Program (YCP) under which we work with young girls and boys from 25 colleges under Mumbai University. Our objective is to build their capacity on issues like Gender and Citizenship.

22 students from Rizvi College participated in our national level competition called Gender Rewrite in which we asked participants to rewrite some of the sexist advertisements and Bollywood songs and dialogues. The performance of students from your college was phenomenal in all three categories and the message given by their rewritten versions were very thought provoking. We are also delighted to let you know that a group of three students viz. Anjana Anjimon, Ankit Kumar Jha and Aastha Chaubey has secured first position in songs category.

Our collaboration with your college is achieving a new milestone every year and we look forward to cherish this relationship for many more years in future. Thank you for your continued support and cooperation.

Sincerely,

Ameesha Adatia
