**NOTICE**  
**DEGREE/JUNIOR**

**Subject: Clean Mangrove Drive**

The State Mangrove Cell began its city-wide 'Clean Mangrove Drive' campaign on 16th December, 2017 by removing 3,000kg trash from Carter Road in Bandra. 400 volunteer students from Rizvi College of Arts, Science and Commerce and Mangrove Cell members participated in the Drive.

The Cleaning Drive is expected to continue and our college has been selected for this purpose. This will be a regular 'Clean-Up Drive' and will be done on a rotational basis. The idea is to clear the trash near the roots of the trees.

Session wise duty has been allotted to Departments and Faculties and they are required to conduct the activity along with the students of respective classes allotted to them.

For any information contact: **Prof Shehnaz Khan.**
