Concurrent Users

We have introduced a tier/slab system of concurrent users. There are currently two tiers which institutes can choose from depending on their requirements.

In the first tier up to 5 users can simultaneously access the EPW site, a sixth member attempting to access the EPW site will not be able to login unless a member logs off.

The second tier unlimited users can simultaneously access the EPW site.

Web access to the Digital Archives at www.epw.in

Institutes can email us their static IP ranges which will be entered in our database. When a user attempts to access the EPW website, our server authenticates if the requesting IP address is within the range given. If it is, then the reader will be able to access the website.

Institutes wishing to have access to the Digital Archives will have to choose from the various tiers according to their access requirements. Please see table for more details.

How to Subscribe

Subscription can either be done by sending us a demand draft/cheque in favour of Economic and Political Weekly or by online payment by credit card/net banking on our secure site at www.epw.in, we would prefer you make online payments.

To know more about online access to the archives and how to access the archives please email us at circulation@epw.in or call us on 022-40638282 and we will be pleased to explain the process

Increase in Subscription Rates
