The image is a screenshot of a Zoom webinar. On the left, a slide titled "Concepts of Research" is displayed. The slide contains a bulleted list of points:

- 1. Research is a systematic and controlled investigation of a problem or a question, which aims to discover new knowledge or to confirm existing knowledge.
- 2. Research is a process of gathering information about a subject or a problem, which is done in a systematic and controlled manner.
- 3. Research is a process of gathering information about a subject or a problem, which is done in a systematic and controlled manner.

On the right side of the screenshot, there is a video feed of a man with glasses, wearing a light blue shirt, who appears to be the speaker. The background of the video feed shows a window with vertical blinds. At the bottom of the screenshot, the Zoom control bar is visible, showing various icons for muting, video, chat, and other functions.
