DIGIFEST 2020-21

All through the world, life has changed through the pandemic, and for some it is worse than the rest. We and our students are no different. Like so many else, we too have had our share of lows and losses. There was a need felt to bring in some cheer and light moments for our students – a time that they could just enjoy as children should, a little time free from worry, a little time where they could indulge in their hobbies, a little time that they could revel in their strengths. This global pandemic has taught us how adaptable we are as a human race. It was proved once again when the cultural committee of our college decided to organize a fest for the students. It was for the first time in the history of the Institution that a cultural fest was organized on a digital platform.

It was the brainchild of the convenor of our Cultural Committee Mrs. Swati Vora and the Principal Incharge Dr. AnjumAra Ahmed to conduct a cultural fest for the students. Keeping in mind the Covid numbers and protocol to be followed, it wasn't possible to organize the annual intercollegiate cultural extravaganza, Jashn-e-Rizvi this year. So instead, the committee decided upon a fest comprising various intra class competitions to be conducted on the online platform - **DIGIFEST**. The fest consisted of 15 events which covered various skill sets, old and new. While popular favourites like Solo Singing, Solo Dance, Personality Contest, Mehendi Designing were the first to be added, there were new competitions in line with the need of the hour like Guessology, Mobile Photography, PPT Contests and Shayarana. We had close to 200 participants in various events. The fest was spaced over two days – 27th and 28th of March 2021. An online inaugural function was held on the 27th where Mrs. Swati Vora welcomed everyone for the fest and DrAnjumAra Ahmed declared it open. Participation call had been floated much before, so students joined their respective competitions as per schedule, either to participate or to watch. The valedictory function was held on 30th March wherein winners for every event were announced.

This Fest would not have been possible without the support of the Management who has always had the students' best interest at heart. It was also the exemplary vision of our Principal Incharge Dr. AnjumAra Ahmed and the Convenor of Cultural Committee Mrs. Swati Vora that conceptualized this event. Every member of the

Cultural Committee worked hard and in tandem to ensure the success of the event. A special shout out goes to the technical incharge Mr Haider Zaidi and his team for ensuring a glitch free and flawless execution of the entire fest.

The following is a consolidated report for the fest.

Report 2021-2022

DIGIFEST 2 (2021-22)

In an attempt to infuse our pupils with some joy and laughter, to give them some time to play and enjoy themselves as children should, to be worry-free for a while away from the stresses of the Pandemic, to engage in their interests, and to celebrate their talents, last year our College's Cultural Committee decided to plan a festival for the students. Thus was born DIGIFEST – a cultural festival that was staged on a digital platform for the first time in the institution's history. The pilot version had participation from Degree College only. This year we were joined by the Junior college as well. The scale of the event increased wherein number of competitions went up from 15 to 28 and student participation went up from 200 to 700. DIGIFEST 2 was held on 5th and 6th of February 2022.

Our annual inter collegiate mega fest Jashn-E-Rizvi couldn't be organized due to Covid restrictions and mandate. So, instead, a plethora of events were organized at the intra collegiate Digifest 2. 28 competitive activities covering a range of both traditional and contemporary skill sets made up the festival. While the traditional favorites like Solo Singing, Solo Dance, Personality Contest, Mehendi Designing and Mobile Photography were the first to be added, new competitions like Face Painting, Tongue Twisters, Insta Reels, Bottle Gardening and Instant Hijab turned out to be crowd pullers. A total of 705 students took part in various events. The festival was spread out across two days with an online opening ceremony on the 5th of February where our Principal Incharge Dr. Anjum Ara Ahmed inaugurated the function and Mrs. Swati Vora and Mrs. Shahista Shaikh, Conveners of Cultural Committee – Degree and Junior College Respectively, welcomed everyone to the festival. The invitation to participate had been sent out considerably earlier, so students entered their individual contests on time, either to compete or to watch. On Feb 8, the valedictory ceremony took place, during which the winners of each competition were announced.

Without the assistance of the Management, who has always had the best interests of the students in mind, this Fest would not have been feasible. This event was conceived thanks to the inspirational vision of our principal incharge, Dr. Anjum Ara Ahmed, and the Convenor of the Cultural Committee, Mrs. Swati Vora. The Cultural Committee members all put forth a lot of effort and collaborated well to make the event a success. A particular mention and word of gratitude to Mr. Haider Zaidi, technical in charge, and his team for guaranteeing a glitch-free event.
