Certificate

This is to certify that **Peerzade Aiman** attended the workshop on **Research Methodology in Social Sciences (ONLINE)** conducted by the Centre for Social Studies, Surat during **May 31st to June 9th, 2021**. The course was sponsored by the Indian Council of Social Science Research, New Delhi.

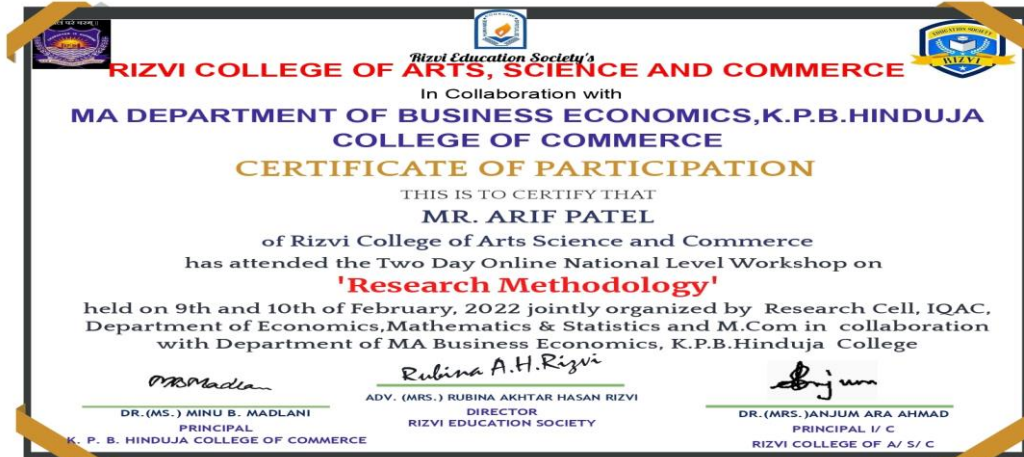

This course was aimed at imparting the participants with skills of utilising various qualitative and quantitative methods in social science research. It was also aimed at enabling them with using computer packages for analysing social science data in various ways. The topics included were Theoretical and Philosophical aspects pertaining to social science research; different Quantitative and Qualitative research methods; strategies and techniques; preparing data for analysis; techniques of data analysis; interpretation and presentation of data and the use of SPSS. Formulating research proposal; conducting literature review; and writing research monographs were also deliberated. A strong emphasis was put on imparting skills related to application of statistical techniques while dealing with processing of data on computer. Relevant literature pertaining to topics deliberated too were furnished. The participants deliberated extensively and intensively on their research in relation to its various dimensions among themselves and with resource faculty.

Dr. Shadab Syed

has participated in the following:
 6 days National Workshop on
**"GENDER NEUTRALITY AND UNIVERSAL HUMAN VALUES
 IN THE WAKE OF COVID - 19"**
 The main objective of the programme is to promote a gender
 neutrality movement. The idea is that policies, language, social
 structures should avoid distinguishing roles according to people's
 gender. Secondly this programme will enable participants to
 interpret the true meaning of happiness and prosperity through
 understanding of Universal Human Values, whereby leading an
 ethical life.

TOPICS COVERED:

- Gender Neutrality in Prevention of Sexual Harassment
- Social Justice and Reservations, Mission Swabhiman
- Embracing Diversity and thriving with Gen X, Gen Y and Gen Z.
- Ethics at Workplace
- Identification of basic human aspiration and role of education in fulfillment
- Small Steps to Equity: Gender, Sexuality and Safe Spaces

PROGRAMME OUTCOMES:

- Participants are expected to become more aware of themselves, become more responsible in handling problems with sustainable solutions, while keeping human relationships, human values and human nature in mind.
- Critically evaluate pre-conditioning and present beliefs on gender neutrality.
- Gain insights into preventing and responding to sexual harassment.
- Develop critical understanding of social justice, reservation policies and work ethics.

One Week Online Short Term Training Programme
on
Data Science and Machine Learning

Sponsored by AICTE

Phase I: Date: 24th May– 28th May 2021

Organized by
**Department of Computer Science and
Engineering**
NARULA INSTITUTE OF TECHNOLOGY
WWW.NIT.AC.IN

About AICTE

AICTE is committed to the development of quality technical education in the country by initiating various schemes launched by Govt. of India, Ministry of Human Resource Development. Council understands that there is a need to train the academic professionals to stay relevant in today's ever changing academic sphere. It was deeply felt that continuous training programs are vital to keep the academic professionals abreast of new technologies so that they can impart the ever expanding knowledge of latest technical requirements among students for making them more employable and future ready in terms of global competencies. During Covid-19 pandemic, AICTE has gone totally online from registration of faculty members till certificate disbursal mechanism. In the backdrop of announcement of National Education Policy (NEP) 2020, AICTE is working in the direction of NEP, keeping in view the values and morals of Indian Education System. As a part of its highly acclaimed initiatives in sponsoring various training programmes across India on latest technologies, AICTE has allowed **Department of Computer Science & Engineering of Narula Institute of Technology, Agarpara (A Unit of JIS-Group)** with sponsorship support to conduct a **STTP on "Data Science and Machine Learning"** in three phases with each phase having one week duration. The first phase will be conducted from 24th May, 2021 to 28th May, 2021 in online mode.

About the Institute

Narula Institute of Technology is a leading autonomous Engineering and Management institute under the aegis of JIS Group Educational Initiative since 2001 and is located at Agarpara, Kolkata.

Affiliations/ Accreditations

The institute is affiliated to MAKAUT, WB and the technical courses are approved by AICTE. The Institute has received prestigious NIRF ranking given by MHRD, Govt of India for the last 4 consecutive years. This year the Institute has ranked in the rank band of 201-250 in the Engineering category. It has NBA accredited degree programmes in Engineering. It also prides itself with the prestigious NAAC accreditation. The institute was deemed worthy of receiving the notable World Bank assisted and MHRD approved TEQIP (phase 2) grant for advancement of Technical education. It has also been deemed eligible for receiving central assistance under recognition of clauses 2(f) and 12(b) under UGC Act.

Campus

The institute boasts of a ragging-free campus and students are encouraged to show no tolerance for ragging. The campus also houses a Women's Cell which specializes in prioritizing safety of female students and staff throughout the campus and is active in cultural, infrastructural and functional levels of the institute's hierarchy.

About the Department

Department of Computer Science and Engineering has started its journey in the year 2001 with the mission to build and sustain a high quality and broad area-based teaching and research program in computer science, to prepare students for successful professional careers both in industry, academics and as entrepreneur, and to provide service to the nation as a good human being. It started its journey with only 60 intakes and in the year 2007 intake increases from 60 to 120 and further in the year 2019 to 180. Department also running M Tech in CSE from 2007 with 18 intakes. Both the B Tech and M Tech programs became NBA accredited from September 2016.

About the STTP

Machine Learning is a fast-growing field of Artificial Intelligence which deals with the study of models capable of learning from data, at multiple levels of abstraction. Faced with overwhelming amount of data, organizations are struggling to extract the meaningful insights to make smarter decisions. Demand for data scientists has been growing in all industries as employers are becoming desperate to harness the power of data analytics. In the STTP, the participants will gain practical knowledge with hands-on training approach in order to have an in-depth insight into the domain of Data Science and Machine Learning so that they can be ready to meet the demand in terms of technical expertise.

Objective:

The main objective of this STTP is to discuss the theoretical foundations of Data Science & Machine Learning techniques and how these techniques can help us to extract meaningful information from the massive data. We can leverage the machine learning models for Intelligent processing of data for developing smart applications towards improving our living standards in today's challenging world. The overall objectives are listed below.

1. Disseminate the knowledge of data sciences and Machine learning.
2. Provide conceptual understanding of how data sciences can be used to make smarter decisions.
3. Provide knowledge and hands on sessions on machine learning techniques.

Target Participants:

The STTP-program is targeted towards postgraduates, researchers, scholars, faculty members from academic institutes, Industry professionals & consultants.

Resource Persons

Sl. No.	Speaker Name	Designation

02nd January, 2018

NOTICE
DEGREE COLLEGE

The Women Development Cell of University of Mumbai, Majlis Law and Rizvi College of Arts, Science & Commerce are collaborating on a Gender Awareness Program for Students this year. We are organizing a half day '**Intra College Competition**' on **13th January 2018** that will give students a platform to express their opinion by using verbal (skits, slogans, jingles/songs, speech etc.) or non-verbal expressions (posters, banners, charts, rangoli etc.). **The timing of the workshop is 9.30 am to 2.00 pm.**

The Expression topic this year is
'What's your Yes and What's your No?'

It is about consent in different situations, to different people, at different times. We wish to know how consent impacts the day-to-day life of students.

Guidelines to colleges for conducting the workshop

- The workshop is a 4 hours event open to both boys and girls. Any number of students can register as individuals or groups in as many competitions as he/she wishes.
- Verbal expression can be in the form of a debate, talk, slogan, song, pledge, jingle etc. for which an individual participant will get 3 minutes and groups 5 minutes to express themselves. Skits will be given 7 minutes. (A bell will ring to inform students to conclude their performance)
- Non-verbal competition will happen simultaneously and the time limit will be one hour. Posters will be displayed for judges to evaluate. The students can describe their ideas behind their creation in brief. The students will need to bring chart for poster making and any other material that they will require for their posters.
- Three Judges (2 External & 1 Internal) will evaluate the students on creativity and content.
- The University will be giving trophies and medals for the best presentation in both verbal and non-verbal categories and all participants will be awarded participation certificates.
- Students can contact Mrs. Mariyah Ghor Ghor, Mrs Seha Bakhtiar, Mrs Amreen Moger & Dr. Alkama Faqih for registration. Students should register latest by 8th January 2018 as their names as to be sent to University.

Teachers are also invited for the workshop.

(Mrs Mariyah Ghor)
