Concepts of Research

Which of these can be classified as research?

- Shyam prepared a paper on "Computer usage in primary schools" after reviewing literature on the subject available in his university library.
- Ravi did say that he has researched and completed a document which gave information about the age of his students, their IQ, marks, their parents' income and the distance of school from municipality house.
- Priya participated in a workshop on curriculum development for board exams and prepared what he calls a research report. He did this through a literature survey on the subject and discussing it with participants of the workshop.
