Concepts of Research

Which of these can be classified as research?

- Shyam prepared a paper on "computer usage in primary schools" after reviewing literature on the subject available in his university library
- Ramail says that he has researched and completed a document which goes information about the age of his students, their PCB marks, their parents income and the distance of school from municipality hospital.
- Feer participated in a workshop on curriculum development for board exams and prepared what he calls a research report. He did this through a literature survey on the subject and discussing it with participants of the workshop.
