1. Educational Tour to the Institute of Chartered Accountants of India (WIRC): An Insightful Journey

The Department of Accountancy at Rizvi College embarked on an enriching educational tour to the Institute of Chartered Accountants of India (Western India Regional Council) - ICAI, BKC, Mumbai, on Friday, 8th September 2023. This tour was designed to offer students a unique blend of career counseling and a visit to the Accounting Museum, providing them with a deeper understanding of the accounting profession's heritage and future opportunities.

Purpose and Activities

The purpose of the visit was twofold: to expose students to career opportunities within the accounting field and to immerse them in the history and evolution of accounting practices, as

showcased in the Accounting Museum. The ICAI's initiative to develop a short-term online 30-hour course aimed at enhancing B.Com students' skills and employability was a highlight of the tour. Furthermore, the proposal to establish an Accounting Museum within the college premises, along with a library partnership between ICAI and Rizvi College, promised to create a rich reservoir of knowledge and resources for students.

Outcomes

Participants of the tour, comprising both male and female students, benefited significantly from the experience. They gained valuable career insights, learned about the historical progression of accounting, and understood the importance of continuous learning and development in their future careers. The proposed initiatives by ICAI, such as the short-term course and the establishment of an Accounting Museum and library partnership, are anticipated to greatly enhance the educational and cultural environment of the college, fostering a deeper appreciation for the accounting profession.

Conclusion

The educational tour to the Institute of Chartered Accountants of India (WIRC) represents a significant step forward in bridging the gap between academic learning and professional accounting practice. It not only provided students with an opportunity to explore career pathways but also inspired them with a sense of history and the evolution of their chosen field. As we move forward, the collaboration between ICAI and [College Name] is set to offer promising opportunities for student development, skill enhancement, and cultural enrichment, contributing substantially to their academic and professional growth.

Acknowledgments

We extend our heartfelt thanks to the Institute of Chartered Accountants of India (WIRC) for hosting us and to all the students and faculty members who participated in this educational tour. Special thanks to Department of Accountancy for organizing and leading this invaluable experience. We look forward to more such collaborative and enriching experiences in the future.

2. An Overview of Capital Market - Series I

The Department of Accountancy at Rizvi College successfully hosted the Student Development Program on "An Overview of Capital Market" from 1st to 7th September 2023. Designed to demystify the complexities of the stock market, economy, and monetary policies, the program provided a comprehensive learning experience to students, complemented by a practical study visit to the Bombay Stock Exchange (BSE) Brokers' Forum.

Educational Journey: A Blend of Theory and Practice

Under the expert guidance, the program was divided into a series of enlightening sessions led by Ms. Soniya Mashelkar from the BSE Brokers Forum. Over four days, students delved into critical topics such as the Working of the Stock Market, Fundamental Analysis, Mutual Funds, and Derivatives. These sessions were structured to accommodate two batches daily, ensuring an intimate and focused learning environment in the Seminar Room.

Practical Exposure: Visit to BSE Brokers' Forum

Highlighting the program was the study visit on 5th October 2023, where Dr. Aditya Shrinivas, COO & Chief Economist at the BSE Brokers Forum, offered invaluable insights into the operational dynamics of the stock exchange. This visit not only provided a real-world glimpse into the financial sector but also opened avenues for direct interaction with industry experts.

Impactful Learning: Outcomes of the Program

With 210 students participating, the program achieved remarkable success in:

- Enhancing understanding of the capital markets functioning.
- Providing practical insights through the study visit, enriching students' knowledge base.
- Facilitating interactions with industry experts, broadening perspectives on career opportunities in the financial sector.

Dr. Aditya Shrinivas's discussions emphasized the importance of youth engagement in stock markets and highlighted the promising job prospects within the stock exchange ecosystem. This forward-looking approach inspired students to consider careers in finance with renewed interest and optimism.

Acknowledgements and Future Prospects

This Student Development Program has set a precedent for future initiatives, promising to continue empowering our students with the knowledge, skills, and confidence to navigate the financial markets successfully.

3. Short Term Course “**TRAIN EARN & LEARN** “

The Department of Accountancy at Rizvi College proudly wrapped up its groundbreaking short-term course, "Train Earn & Learn," held from 23rd December 2023 to 3rd January 2024. This pioneering initiative was crafted with the aim to arm undergraduate students in accountancy with a robust set of skills and knowledge, essential for their burgeoning careers in the finance and accounting industry.

Course Overview

Delivered entirely online, the course spanned over 12 days, offering intensive sessions from 3:00 p.m. to 6:00 p.m., Monday through Saturday. The program drew upon the expertise of seasoned professionals from the accounting field. Participants were engaged in a comprehensive curriculum covering vital areas such as business communications, social and business etiquette, personality development, E-filing under Income Tax, GST regulations, Tally accounting, Excel for auditing and analysis, and TDS under Income Tax.

Key Highlights and Outcomes

- **Diverse Learning:** The course's rich tapestry of topics ensured that every participant left with a deeper understanding and practical skills in both the technical and soft skills necessary for accountancy professionals.
- **Expert Instruction:** With facilitators like CA Jyoti Malkani, CA Kunal Pasari, and others, students were exposed to high-quality, real-world insights that bridged classroom theory with the demands of the professional world.
- **Student Engagement:** A total of 53 students (29 males and 24 females) actively participated, showcasing the program's wide appeal and its capacity to cater to diverse learning needs.

Feedback and Future Prospects

The feedback from students was overwhelmingly positive, with many highlighting the practicality of the course and the effectiveness of the online delivery method. The successful completion of the course not only saw all participants meet the qualifying criteria in the final MCQ evaluation but also opened doors to exciting internship opportunities with ICAI, setting a firm foundation for their future careers.

Conclusion

"Train Earn & Learn" stands as a testament to Rizvi College of Accountancy's commitment to innovation in education and dedication to student development. By integrating essential skillsets with professional insights, the program has significantly contributed to preparing the next generation of accountancy professionals, ready to make their mark in the industry.

4. “ICAI Commerce Olympiad”

Rizvi College of Accountancy proudly conducted the ICAI Commerce Olympiad on Sunday, 3rd December 2023, through an online mode. This event marked a significant milestone in assessing and showcasing the commerce capabilities of our students.

Aimed at promoting academic and professional growth, the Olympiad saw participation from 207 students, with a commendable gender representation of 72 males and 135 females. Additionally, the involvement of one male and one female teacher further enriched the experience for all.

This initiative was in collaboration with the Committee on Career Counseling and WIRC of ICAI, highlighting the college's commitment to providing meaningful opportunities for student development. The outcomes were remarkable, with students demonstrating their expertise and gaining invaluable experiences, reinforcing the college's tradition of excellence.

The ICAI Commerce Olympiad stands as a testament to the vibrant academic spirit of Rizvi College, fostering a culture of learning and professional readiness among students.

For more details on this event, please visit our website or reach out to the Department of Accountancy. Join us in celebrating this achievement and look forward to more such enriching academic initiatives.

Rizvi College of Accountancy: Where Excellence Meets Opportunity.

The poster for the ICAI Commerce Olympiad 2023 is organized by the Committee on Career Counseling of ICAI. It features a central graphic of a hand holding a trophy, with the text 'You Get 20% Exemption for all ICAI Commerce Courses'. The test date is 3rd December 2023, and the JEE Date for September is 27th Nov 2023. The poster includes a table of participating colleges and their details, a schedule of the test, and information about prizes and recognition.
