### How to Protect yourself online?

...you need to follow three basic 'rules'

- ☐ Choose, use and protect your **Passwords** carefully
- ☐ Ensure that you have **Internet Security Software** / app that is always kept up to date and switched on
- ☐ Update your **Operating System** and all other software as soon as prompted.

### Safe Online Shopping

- ☐ Choose reputable, genuine shopping sites
- ☐ Ensure the payment page is secure before entering payment details
- ☐ Check reviews, and if something is very cheap there's normally a reason!
