### **Aims & Objectives**

To motivate the students for post graduate studies, to impart quality education at all levels of teaching i.e. language, literature, cultural studies and research. A comprehensive syllabus, which we follow, has an inter-disciplinary and inter-cultural which makes the students competent to pursue research in the field of inter-cultural studies which is a requirement in this era of globalization.

To generate interest in Urdu language & literature at higher levels of learning through the following activities:

- Conducting under graduate teaching effectively.
- Supervising and identifying new areas of research & conducting independent research through various research projects.
- Organizing seminars, conferences, workshops, symposia, Mushaira & Musical Programmes.
- Publishing research monographs, bibliographies & scholarly books. Conducting visiting lectures for students by eminent Urdu scholars.
